1. **All health history, medical forms, immunization record and emergency cards must be completed prior to attending the centre.**
2. A child who is perceived to be ill or a source of a contagious infection will be sent home.
3. A child must be fully able to participate in all aspects of daily routine in order to be considered healthy enough to be attending.
4. The staff can only give prescription/non-prescription drugs to children **only** if we receive proper written authorization and medication is in its original container. Authorization forms are available from daycare staff.
5. The centre shall maintain on its premises an approved and complete First Aid Kit. All staff shall maintain a current First Aid Certificate.
6. At least two alternative and available contact people must be listed on the emergency card.
7. Any incident of serious illness, infectious disease, or serious accident, will be reported to the Interior Health Authority and Community Care Facilities Licensing.
8. Sick children are not accepted at the daycare. Acceptance or non-acceptance for care of children who appear ill is at the discretion of the child care provider.
9. If a child has to be given a non-prescription medication in order to attend daycare, they are too sick to attend (i.e. Tylenol, Gravol, Benadryl, etc.) These medications mask symptoms of illness. (if staff and parent are in agreement exceptions may be made for teething children)
10. If a child becomes sick at daycare, the parent will be called to pick up their child and the child will be isolated from other children.

KIDCARE DAYCARE

HEALTH POLICY AGREEMENT

I have read and agreed with the health policy of the daycare. I understand that the staff has the authority to send a child home, should the staff deem the child is not well. Should a disagreement result, the parent may take their complaint to the Program Manager and if not satisfied with the complaint resolution then they can take their complaint to the Executive Director the Women's Contact Society.

CHILD ABUSE: STAFF RESPONSIBILITIES

- We are required by law to report suspected or disclosed abuse.
- Our responsibility is to report suspicions/disclosures, NOT determine if abuse has occurred.
- Failure to report abuse can result in prosecution under the Family and Child Service Act.
- We are NOT permitted to contact the parent, unless specifically directed to do so by Ministry of Children and Family Development and the RCMP.
- Reporting procedures are designed to protect the child.
- Our concern is the safety and well being of the child.

EMERGENCY TRANSPORTATION/MEDICAL ATTENTION POLICY

Staff at Kidcare Daycare will phone for emergency transportation and/or medical attention when they deem it necessary for a child or children in their care. The staff at Kidcare Daycare will then call parents or emergency contacts to inform them.

WALK WAIVER

I understand that the Daycare staff will be taking the children on walks off the daycare premises. I also understand that they will not be taking my child in any cars or buses without my written permission.

PHOTOGRAPHING WAIVER

I understand that my child's picture may be taken for the enjoyment of the program, or for promotion of our program as needed. I understand that this waiver authorizes the daycare to use these photos for promotion of the daycare program as well as program enhancement.

SUNSCREEN WAIVER

I agree to have Kidcare Daycare staff apply sunscreen lotion on my child that has a valid date of expiry. If you do not agree then ask staff for the Sunscreen Waiver form.
